

# 3000Lm LED Driving Lights for Bike/Car 12V

for Electric Cars, Electric Bikes, Jeep, 4x4trucks, Motorcycles & Motor Cars

4 High Power CREE XML T6 Led

3000Lm

Power 30W

Integrated 12-16V constant current circuit board

Suitable for 12V Battery System Motor Bike and Cars

Reference current and voltage: 2500mA 12V

Reflector for Best focus & flawless beam

Aerospace Aluminum Alloy 6061 Body

55MM \* 67mm / head diameter \* length

IP Grade IP65

Temperature Protection : Auto Low mode at high temperature

White/Red Wire Positive

Black Wire Negative/Earth
